

2008 Living Earth Institute Financial Report

(January 1, 2008 to December 31, 2008)

LEI began 2008 with over \$18,000 in revenue. Although there were no formal fundraising activities conducted in 2008, LEI raised over \$14,000, with 90 percent of this support received from individual donors.

Almost all of LEI's expenditures (95%) were project costs, directly supporting tube well installation, latrine building, and health education programs.
