

Financial Report:

January 1 2014 to December 31 2014

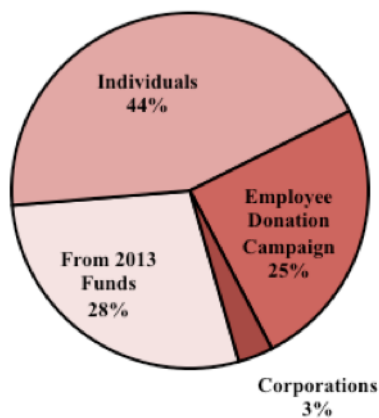

In 2014, LEI brought in approximately \$33,000 in revenue. Most of funds came from generous individuals who gave through our fundraising events and employee giving campaigns. LEI also received support from corporate sponsors.

The majority of LEI's expenditures were project costs, directly supporting tube well installation, family toilet construction, and health education programs in Nepal.
